5. Aplicação

- 5.1. Monitor fonte de tensão constante
- 5.2. Monitor do sinal positivo da fonte
- 5.3. Monitor do sinal negativo da fonte
- 5.4. Monitor transistor NPN na configuração emissor comum
- 5.5. Monitor transistor NPN na configuração coletor comum
- 5.6. Monitor transistor PNP na configuração emissor comum
- 5.7. Monitor transistor PNP na configuração coletor comum

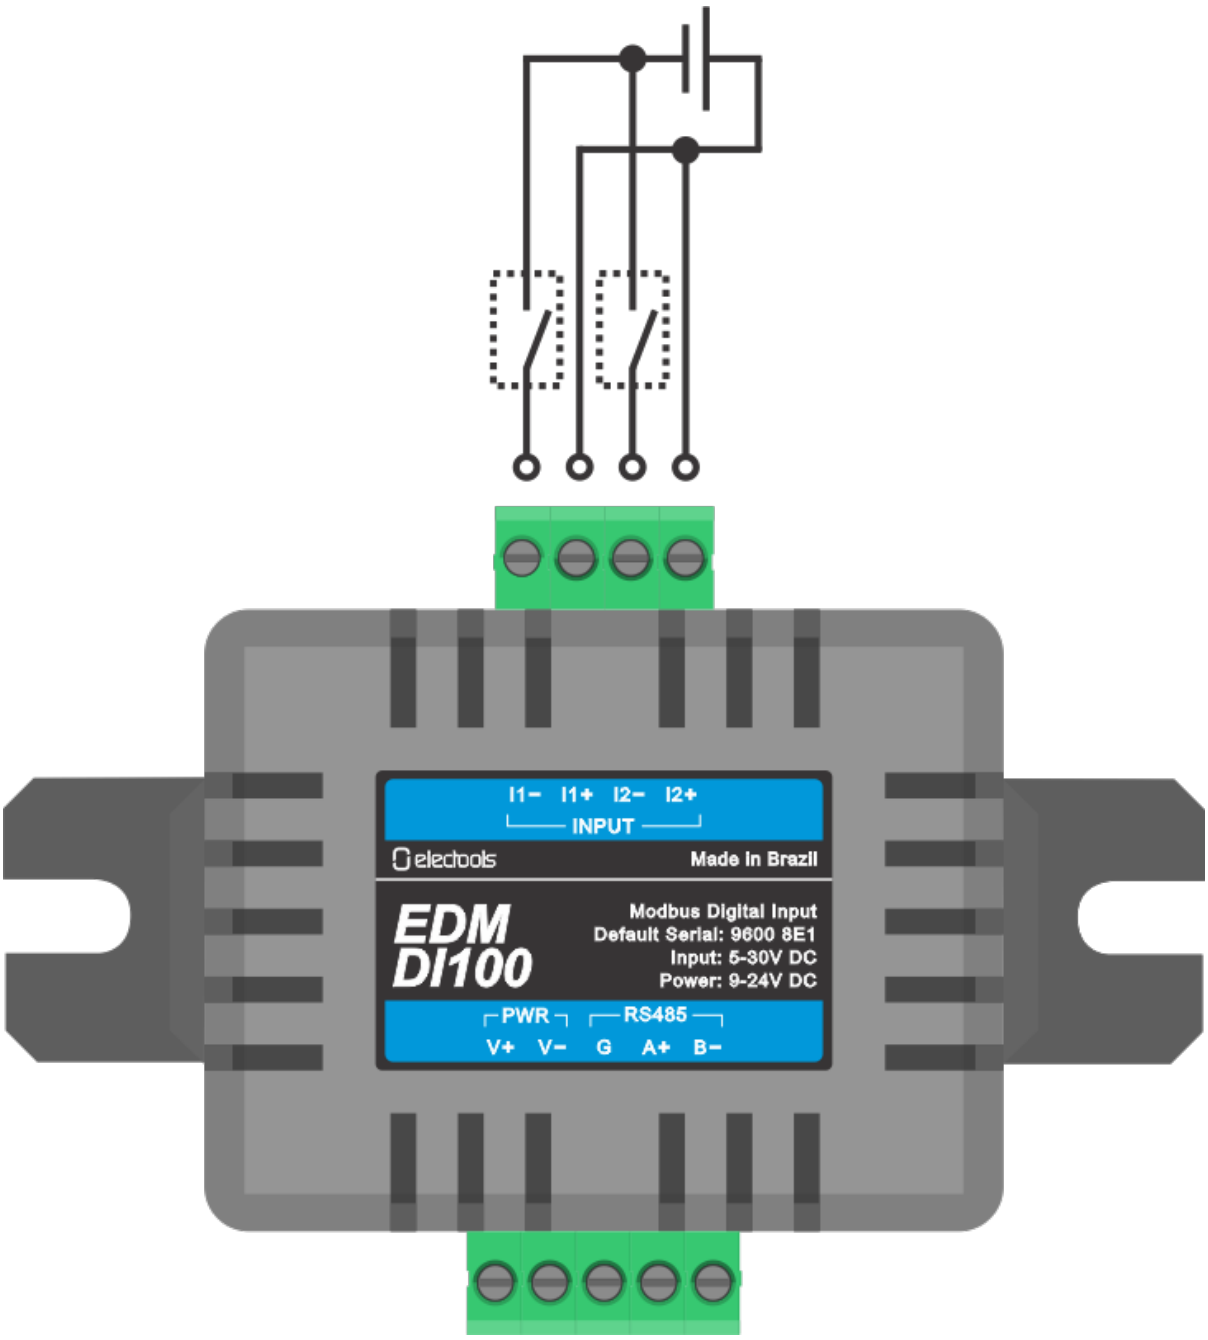

5.1. Monitor fonte de tensão constante

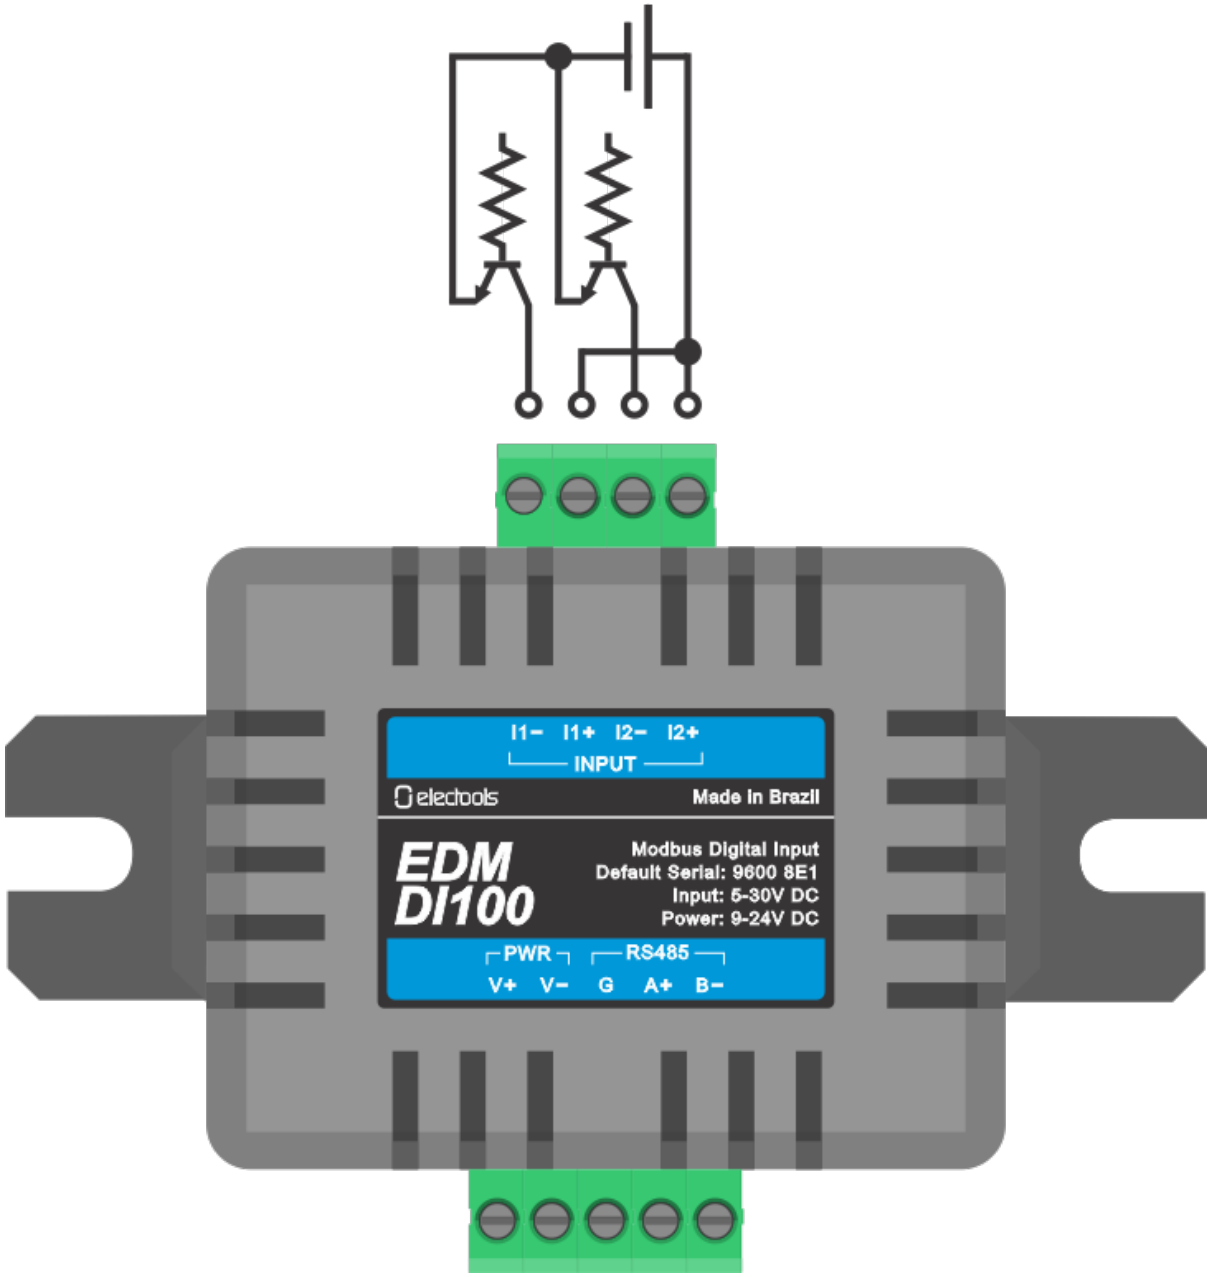

5.2. Monitor do sinal positivo da fonte

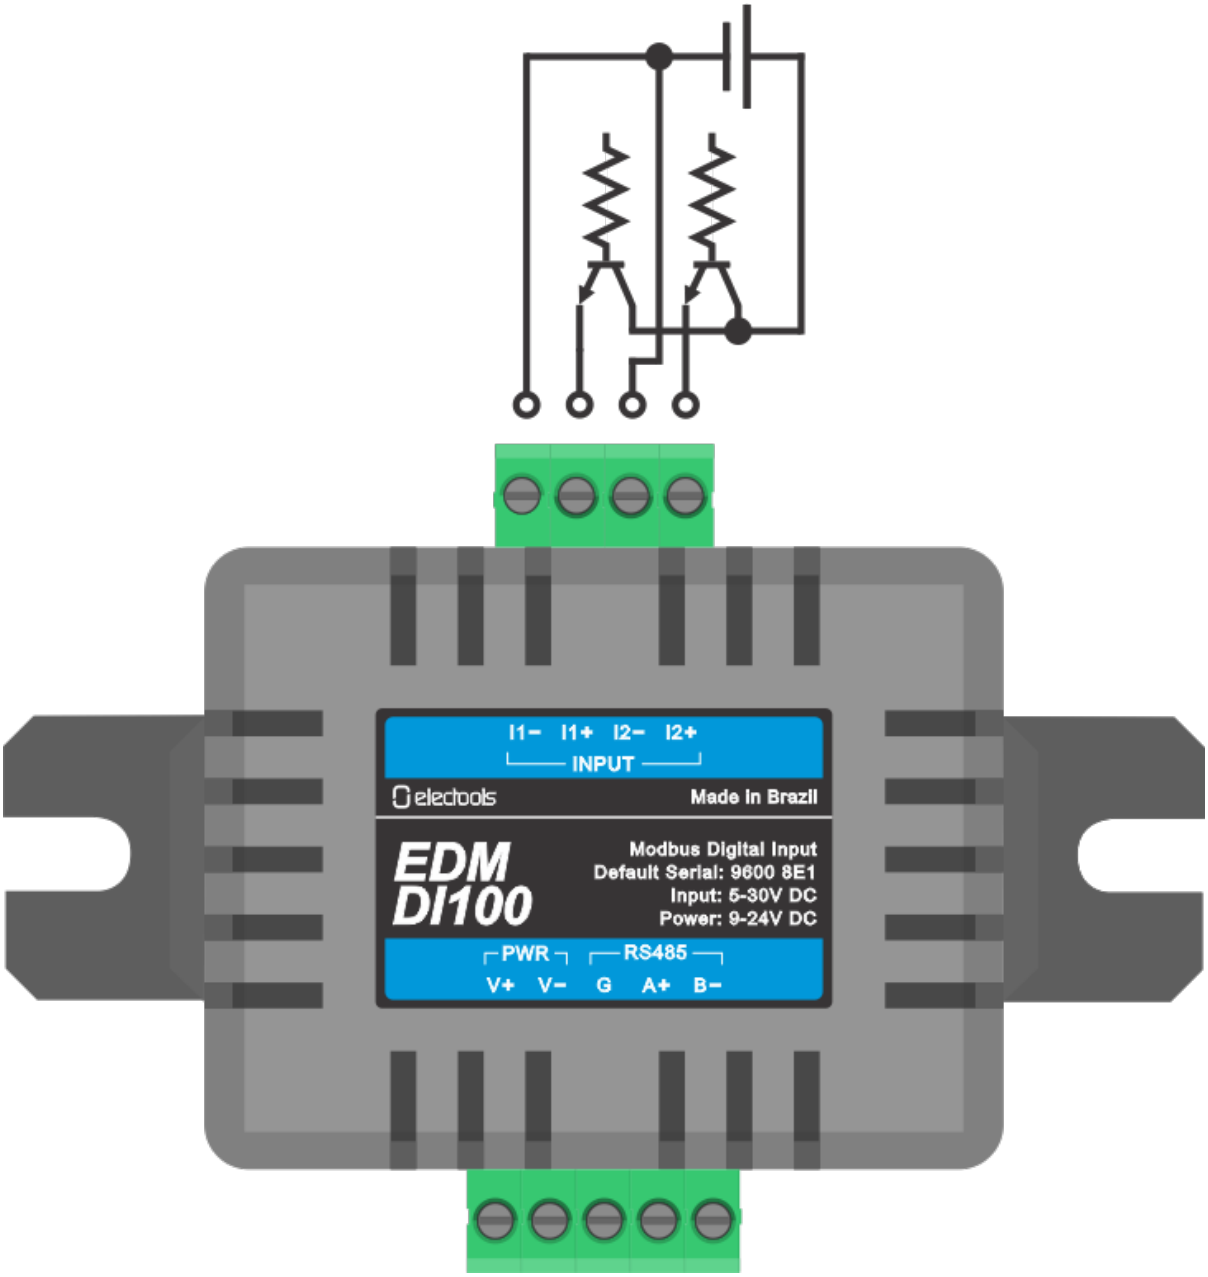

5.3. Monitor do sinal negativo da fonte

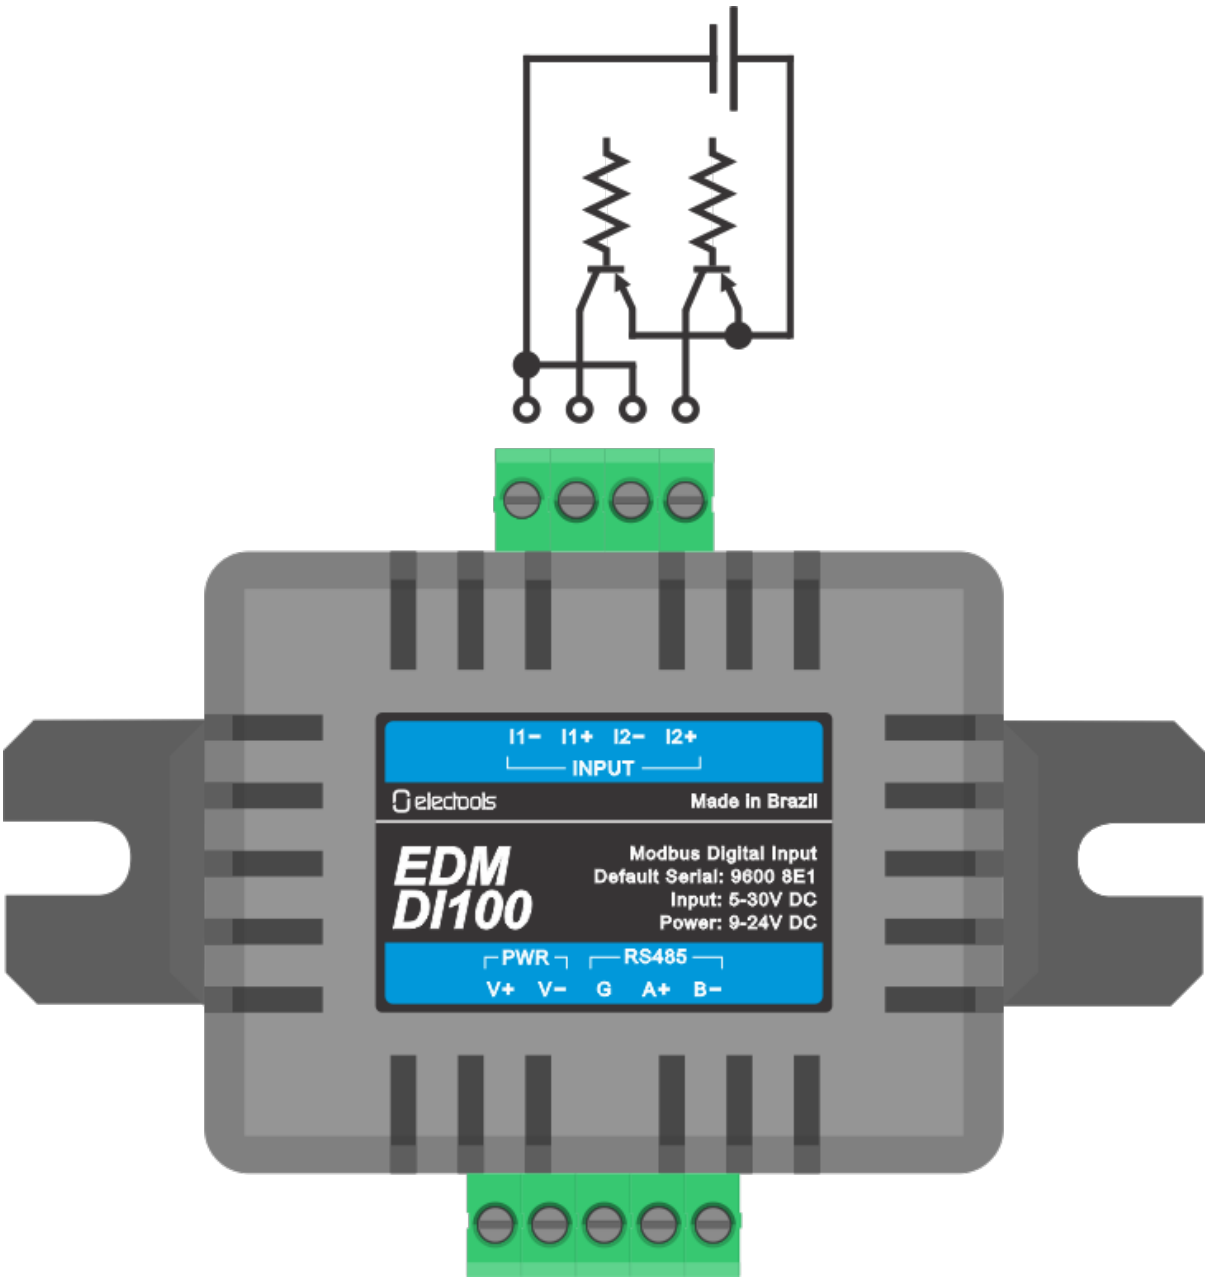

5.4. Monitor transistor NPN na configuração emissor comum

5.5. Monitor transistor NPN na configuração coletor comum

5.6. Monitor transistor PNP na configuração emissor comum

5.7. Monitor transistor PNP na configuração coletor comum
